The theme of the event is “Made in West Virginia.” Manufacturing companies and local partners will be showcasing what they respectively make or manufacture in West Virginia.

Companies participating in the event include, DOW Chemical Company, Toyota Motor Manufacturing – WV, Gestamp, Greenwood Inc., AC&S, Diamond Electric, and Jacobs Engineering.

Manufacturing Day is a celebration of modern manufacturing meant to inspire the next generation of manufacturers. With over 500 nationwide events being planned for National Manufacturing Day (MFG DAY), BridgeValley Community and Technical College (CTC) will be joining this movement and with an event that collaborates with our manufacturing industry partners.
